

Subject Company: Starwood Hotels & Resorts Worldwide, Inc.
Commission File No. for Registration Statement on
Form S-4 filed by Marriott International, Inc.: 333-208684

The following is a message to senior leaders from Marriott President & CEO Arne Sorenson.

I wanted to let you know that on Friday, Starwood notified Marriott that it had received an unsolicited letter from a consortium of potential investors, led by Anbang Insurance Group, expressing interest in purchasing Starwood. Consistent with the terms of our November 15 merger agreement, we granted Starwood a waiver to expedite their evaluation of the non-binding proposal contained in the letter from the interested consortium.

We continue to believe that Marriott's transaction with Starwood offers great long-term value for Starwood and Marriott stockholders. We have already made significant progress in clearing the transaction with competition authorities in a number of jurisdictions, including the United States and Canada. We are confident that the merger agreement we have announced is the best course for both our companies and offers certainty for Marriott and Starwood stockholders, in contrast to this last-minute unsolicited indication of interest, which is highly conditional and non-binding.

We will, of course, actively monitor this development and plan accordingly as we continue to work toward the closing of our transaction and the successful integration of the two companies. As always, we appreciate all the work in which you and your teams have been engaged to make this merger a great success.

Sincerely,

Arne Sorenson
President and CEO
Marriott International, Inc.
