PART II INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Certain Documents by Reference.

The SEC allows us to “incorporate by reference” information into this Registration Statement, which means that we can disclose important information to you by referring to those documents. We hereby “incorporate by reference” the documents listed below, which means that we are disclosing important information to you by referring you to those documents. The information that the Company files later with the SEC will automatically update and in some cases supersede this information. Specifically, the Company incorporates by reference the following documents or information filed with the SEC (other than, in each case, documents or information deemed to have been furnished and not filed in accordance with SEC rules):

(a) The Company’s latest Annual Report filed pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or latest prospectus filed pursuant to Rule 424(b) under the Securities Act that contains audited financial statements for the latest fiscal year for which such statements have been filed, and the Plan’s latest Annual Report on Form 11-K filed pursuant to Section 13(a) or 15(d) of the Exchange Act;

(d) Future filings the Company and the Plan make with the SEC under Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this Registration Statement and before the filing of any post-effective amendment to this Registration Statement which indicates that all securities offered under this Registration Statement have been sold or which deregisters all such securities then remaining unsold.

Any statement, including financial statements, contained in a document incorporated or deemed to be incorporated by reference herein, including in any exhibit, shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or therein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

The Company's Exchange Act file number with the SEC is 001-13881.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Articles Eleventh and Sixteenth of the Company's Restated Certificate of Incorporation (the "Certificate") and Section 7.7 of the Company Amended and Restated Bylaws limit the personal liability of directors to the Company or its shareholders for monetary damages for breach of fiduciary duty. These provisions of the Company Certificate and Bylaws are collectively referred to herein as the "Director Liability and Indemnification Provisions."

The Director Liability and Indemnification Provisions define and clarify the rights of individuals, including Company directors and officers, to indemnification by the Company in the event of personal liability or expenses incurred by them as a result of litigation against them. These provisions are consistent with Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL"), which is designed, among other things, to encourage qualified individuals to serve as directors of Delaware corporations by permitting Delaware corporations to include in their certificates of incorporation a provision limiting or eliminating directors' liability for monetary damages and with other existing DGCL provisions permitting indemnification of certain individuals, including directors and officers. The limitations of liability in the Director Liability and Indemnification Provisions may not affect claims arising under the federal securities laws.

In performing their duties, directors of a Delaware corporation are obligated as fiduciaries to exercise their business judgment and act in what they reasonably determine in good faith, after appropriate consideration, to be the best interests of the corporation and its shareholders. Decisions made on that basis are protected by the so-called "business judgment rule." The business judgment rule is designed to protect directors from personal liability to the corporation or its shareholders when business decisions are subsequently challenged. However, the expense of defending lawsuits, the frequency with which unwarranted litigation is brought against directors and the inevitable uncertainties with respect to the outcome of applying the business judgment rule to particular facts and circumstances mean that, as a practical matter, directors and officers of a corporation rely on indemnity from, and insurance procured by, the corporation they serve, as a financial backstop in the event of such expenses or unforeseen liability. The Delaware legislature has recognized that adequate insurance and indemnity provisions are often a condition of an individual's willingness to serve as director of a Delaware corporation. The DGCL has for some time specifically permitted corporations to provide indemnity and procure insurance for its directors and officers.

This description of the Director Liability and Indemnification Provisions is intended as a summary only and is qualified in its entirety by reference to the Company Certificate and the Company Bylaws, each of which has been filed with the SEC and is included as an exhibit to this Registration Statement.

Item 9. Undertakings.

1. The undersigned registrants hereby undertake:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed or furnished to the SEC by the registrants pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned registrants hereby undertake that, for purposes of determining any liability under the Securities Act, each filing of such registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of such registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
